Privacy Policy for PocketCymraeg

Last Updated: September 8, 2026

Welcome to PocketCymraeg ("we," "our," or "us"). We are committed to protecting your privacy. This Privacy Policy outlines how your personal information is collected, used, and safeguarded when you use our mobile application and related services (collectively, the "App").

Please read this policy carefully. If you do not agree with the terms of this Privacy Policy, please do not access or use the App.

1. Information We Collect

We collect information to deliver tailored language-learning features and improve your overall experience:

- **User-Generated Inputs: Scenarios, schedules, prompts, notes, and free-text queries you submit to generate phrases or translations.**
- **App Preferences: Your chosen dialect (North Wales / *Gogledd* vs. South Wales / *De*), audience/age tone selections, saved/favourited phrases, and custom vocabulary lists.**
- **Technical & Device Information: Non-personally identifiable technical information automatically collected when using the App, including device model, operating system version, unique device identifiers, language settings, and general diagnostic/crash logs.**
- **Account Information (if applicable): If you register an account, we may collect your email address and authentication credentials. If you access the App as a guest, no direct contact credentials are required.**

2. How We Use Your Information

We use the collected information for the following purposes:

- **Delivering Contextual Output: Generating dynamic Welsh phrases, phonetic breakdowns, anticipated replies, and translations tailored to your specific daily scenarios.**
- **Personalisation: Remembering your preferred dialect, tone presets, and pinned "Pocket Picks" across sessions.**
- **App Maintenance & Analytics: Monitoring stability, diagnosing bugs, fixing performance bottlenecks, and assessing which features deliver the highest value to learners.**

- **Safety & Integrity: Preventing abuse, misuse, or violations of our terms of service.**

3. Third-Party Services & AI Processing

PocketCymraeg utilizes third-party infrastructure and artificial intelligence providers to process natural language queries and support App performance:

- **AI Service Providers (e.g., Google Cloud / Gemini API): Your text prompts and scenarios are transmitted securely to our AI infrastructure providers solely to generate language output. These inputs are processed in accordance with enterprise data protection standards and are not used to publicly identify you.**
- **Analytics and Crash Reporting: We may use tools like Google Firebase Crashlytics to monitor application performance and stability.**
- **App Store Platforms: In-app transactions and billing (if applicable) are handled directly by Google Play or Apple App Store, subject to their respective terms and privacy policies.**

We do not sell, rent, or trade your personal data to third parties for targeted marketing or advertising.

4. Data Retention

- **User-submitted scenario inputs are processed transiently to generate real-time phrases and are not permanently tied to your identity on public servers.**
- **Locally saved items (such as pinned phrases, offline decks, and preferences) remain stored on your device until you delete them or clear the App's data.**
- **Technical diagnostics and crash telemetry are retained only as long as necessary to ensure App reliability.**

5. Children's Privacy

PocketCymraeg is designed to help parents, families, and adult learners introduce Welsh into daily family life. The App does not knowingly collect personal identifiable information directly from children under the age of 13 (or under 16 in the UK/EEA). If you believe personal information from a child has been inadvertently submitted, please contact us immediately so we can remove it.

6. Security of Your Information

We implement reasonable administrative, technical, and physical security measures to protect your personal information. However, no electronic

transmission over the internet or information storage technology can be guaranteed to be 100% secure.

7. Your Data Rights

Depending on your jurisdiction (such as under the UK GDPR or EU GDPR), you have specific rights regarding your personal data, including:

- **The right to access the personal information we hold about you.**
- **The right to request correction or deletion of your data.**
- **The right to withdraw consent where data processing is based on consent.**
- **The right to object to or restrict certain processing activities.**

To exercise any of these rights, contact us at the address provided below.

8. Changes to This Privacy Policy

We may update our Privacy Policy periodically to reflect enhancements to our features or regulatory requirements. Any changes will be posted on this page with an updated "Last Updated" date. We encourage you to review this policy periodically.

9. Contact Us
